

# Resources for Sex Workers

Enclosed in this pocket are  
three resources for sex workers:

## ***Directory of Services: Services for Sex Workers***

A comprehensive list of projects throughout the UK who are committed to providing support services to sex workers. The directory lists the services each project provides as well as their contact details.

## ***Keeping Safe: Safety Advice for Sex Workers in the UK***

Written for women, men and transgender people working in the UK sex industry. It contains information and advice about keeping safe when working, whether on the streets, in establishments, in flats/homes, or escorting to homes or hotels.

## ***Sorted Men: A Guide to Selling Sex***

Written for men who work in the adult entertainment and sex industry, as well as men who may be thinking about doing so. It gives information and guidance about staying safe, being informed and about rights.
